Place the egg which you didn't fasten off underneath, the egg you fastened off on top. Make sure that the beautiful side falls on the outside. Do not crochet too tight, use either more or less single crochets if necessary. See photos 4 - 5. Attach them together in the following way:

Inc, 21 sc, inc, 7 sc, inc. Stuff the egg a little bit. Continue with 21 sc, inc, sc, hdc, hdc, sc, slst and fasten off. Weave in the yarn end. Divide the stuffing if necessary to correct the shape. Pull a thread through the tip of the egg and tie a knot to the desired length.
Happy Easter!
